CHIEF JUDGE'S REPORT

Paul Mannassis

The Royal Adelaide Coffee Show, held in March of this year, marked a significant milestone for the Australian coffee industry. Now in its second year, the event has proved to be well patronised with 185 exhibits competing for a prestigious Royal Adelaide medal. Comprising both imported and Australian-grown coffee, this event showcased the rich diversity and exceptional quality present within our coffee market.

Exhibitors presented their finest offerings across four distinct classes: Espresso, Latte, Piccolo, and Plunger. Each class brought a unique array of flavours, highlighting the individuality and complexity that characterises the Australian coffee landscape. Among the flavours encountered were nutty, earthy, chocolatey, caramel, and fruity notes, indicating the broad spectrum of taste experiences available to consumers.

A national event, the Royal Adelaide Coffee Show drew upon the expertise of judges from various regions of Australia. This diversity among our judging panel further ensured the accuracy and fairness of the evaluation process, whereby judges evaluated each entry based on aroma, flavour, body, acidity, and overall balance.

After careful deliberation, we're pleased to announce that this year's event was a resounding success, with a total of 65 medals awarded. These medals serve as a testament to the exceptional quality and craftsmanship demonstrated by

participants in the Royal Adelaide Coffee Show, and the thriving coffee culture in Australia.

As we reflect on the success of this event, we would like to thank the Australian Coffee Traders Association (ACTA) who played a pivotal role in promoting the event and ensuring its integrity by sourcing reputable and qualified judges from across the nation. Their dedication to upholding the highest standards in coffee evaluation contributed significantly to the success of this event.

I would like to extend a special thanks to all the judges who generously lent their time and expertise to this event. Their passion for coffee was instrumental in identifying and rewarding the finest offerings presented at the show. Additionally, I would like to express gratitude to the stewards who assisted in the smooth operation of the event, as well as to the businesses that generously offered their staff. Your support was invaluable in making this event a success.

Finally, I would like to acknowledge the Royal Agricultural and Horticultural Society of South Australia and their dedicated staff, particularly Coordinator Lucy Silva, for their tireless efforts in organising and executing this event. Their commitment to promoting excellence in agriculture, including the coffee industry, is truly commendable.

The 2024 Royal Adelaide Coffee Show was a testament to the passion, dedication, and innovation that define the Australian coffee industry. It is with great pride that we celebrate the success of this event, and we look forward to continuing to showcase the best of Australian coffee in the years to come.
